X-Country

The Journey of a Thousand Miles Begins With a Single Step.

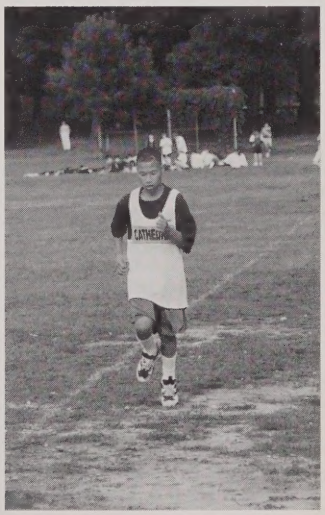
Lao-Tsze

If I had to name one of the best characteristics of our cross country team this year it would be our spirit. We ran with pride and had fun doing it. We never gave up no matter how hard it was and we gave it our best. Though the team this year consisted of mostly freshmen and sophmores, less experienced runners, we gave competition to our competitors and ran our best, striving for glory. Good bye to the seniors who were the back bone of the team, and good luck to the freshmen and the sophomores who are destined to have a promising future in years to come.

Israel Cook

"Just a little ..bit ..further, must...finish...race..."

"Carlyns, be careful or you will trip on your own feet."



Is it almost over?

Volleyball

Success is Earned Through Hard Work and Dedication.

Some people run away from their goals. Others run towards their goals. The 1996 volleyball team ran towards their goals this season. Even though we needed to rebuild and the win column was not large, the year was a success. We learned and developed not only as individuals but also as a team. As the season ended, so did the high school careers of Sherley Saupin, Gloria Geraldino, and Abi Babajide. The remaining team members would like to wish them the best of luck in their college careers. Andreen Gilpin

Gloria, are you smiling because youre taking a picture, or are you happy to see the ball in front of your face?

"Andreen, who are you stepping on?"

Gloria gets out of line and digs out the ball because no one else would get it.

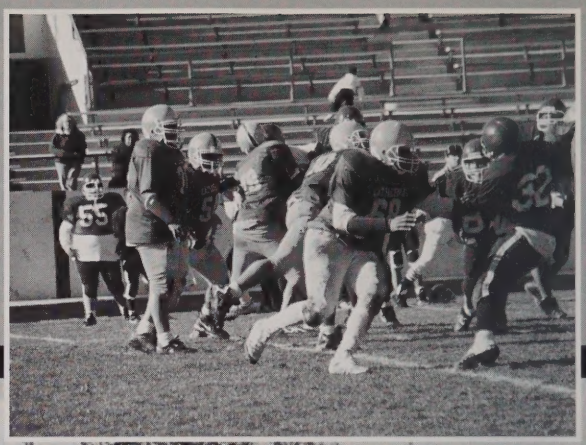
Hey Carmen, the net is this way, okay!

From left to right-1st row-Andreen Gilpin, Gloria Geraldino, Carmen Rodriguez, 2nd row-Melissa Tomlinson, Maureen Mitchell, Myrnairis B. Cepeda, Thuy To, 3rd row-Coach LaRocque, Sherley Saupin, Kathy Simons, Maya Johnson-Barnes, Karley Destine, Abi Babajide, Coach Ruiz.

"Melissa, are you trying to hit the ball or are you trying out a new dance step?"

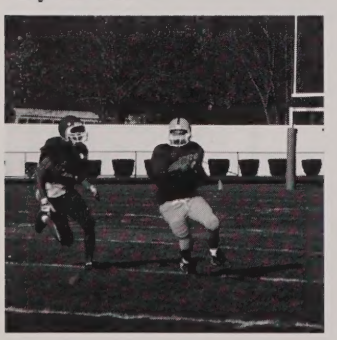
Andreen finally serves the ball after holding it for 4 minutes.

"Tim, it's not part of the play to just stand there."



From left to right-1st row -James Barbosa, Nteta Carrington, Gatumba Abu, Mark Regan, Dennis Owen, 2nd row-Coach Merritt, Coach Lundy, Carl Auguste, Vladimir David, Gustave Cadat, Jamil Shakir, Lentz Pean, Frantz Pierre, Tim Moss, Kevin Lopes, Michael Myatt, Coach Greene, Coach Joe, 3rd row-Ricky Baron, Frantz Paillant, Estal Petit-Frere, Charlie DeLoach, Billy Greene, Henry Romain, Kreshnik Halilaj, Justin Davis, Harold Menard, Rafael Rodriguez, Hezekiah Porter.

"James, don't stop! Someone's on your tail."



"Tim, make sure you are ready to catch the ball!"

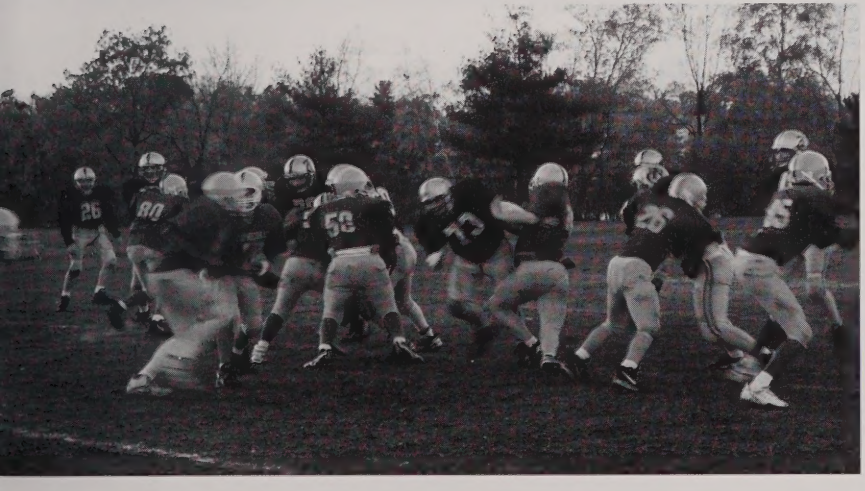
Football

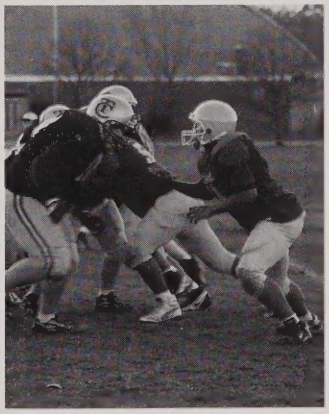
Panthers Prove to Have a Heart of Gold

The Cathedral football program had another tough year. Like last year we ended the season with a losing record. Unlike last year, we have something to look forward to. There are young Freshmen and Sophomores who are improving. For our Senior cast, it is really tough. They are leaving Cathedral without a win. Through the entire season they were very energetic. They were always pumping up the team. They were the backbone of the team. Everyone else on the team would like to congratulate them for their spirit. To Rafael Rodriguez, Jameel Shakir, Frantz Pierre, and Kreshnik Halilaj, we hope that you guys have a great future.

Carl A. & Lent P.

"Abu ,you're supposed to be on the field, not taking a break!"





"Lentz and Carl, where's your back-up?"

"Billy, you're on the field to play football, not to do a dance step with the other team."

Boys Basketball

Nelson is concentrating hard on his free throws.

Hey Charlie! Your sneakers look too clean. Have you played yet?

Hard Work Will Bring Future Success.

This year was a rebuilding year for the Cathedral Panthers boys' varsity basketball team. Even though it was a year to rebuild, we went through the ups and downs together as a team. During the season there was a tremendous loss of important players, but that did not kill the spirit of the Panthers. The team captains, Rafael Rodriguez and Harold Menard, led their team to a victory within themselves, despite the fact that they did not have a great season. All of the boys basketball team would like to say good-bye and good luck to the seniors of the team: Rafael Rodriguez, Harold Menard, and Kreshnik Halilaj.

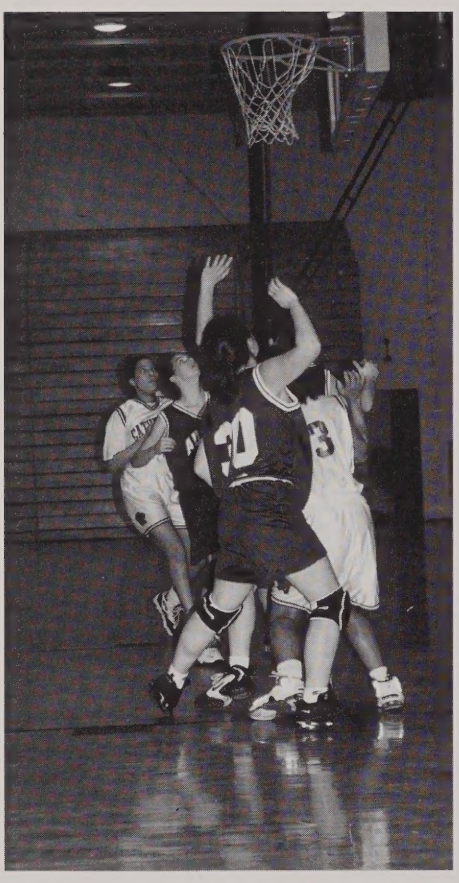
Carl Auguste

From left to right-1st row-Harold Menard, Rafael Rodriguez, 2nd row-Darrell Jones, Alex Montgomery, Andy Fernandes, Pedro Barrios, Carl Auguste, Kevin Brown, Nelson Colon, 3rd row-Charlie DeLoach, Anthony Moise, Lamar Brown, Jonathan Heyward, Kreshnik Halilaj, Armand Halilij.

Nik, is making a strong move to the basket!

Armand makes the pass to Kevin in the double team.

Ann-Marie, don't break anyone's ankles.



Come on Maya! Grab that rebound.

From left to right-1st row-Ann-Marie Clark-Borden, Andreen Gilpin, Erica Villalobos, 2nd row-Lolita Carlson, Abi Babajide, Lisa Thomas, Veronica Rosario, 3rd row- Mic Cepeda, Karley Destine, Maya Barnes, Khalilah Horton, Carmen Rodriguez.

Ann-Marie you will never be as tall as Andreen. So get off your tippy-toes.

Girls Basketball

Andreen, you're taking a foul shot, not taking a seat.

Experience Leads The Way For Successful Season

This years' basketball season started out roughly for the girls. There were a lot of new additions to our team which helped us out a lot. Team captian Andreen Gilpin, and co-captians, Ann-Marie Clark-Borden and Erica Villalobos, helped to show leadership to our younger but experienced team.

Even though the year started out roughly and we lost the league trophy, we all portrayed great sportsmanship throughout the entire season and had fun while participating in the action. We hope that we will be able to make it to the the State Championships next year and go all the way to win.

Andreen Gilpin

I wish the ball would fall now!

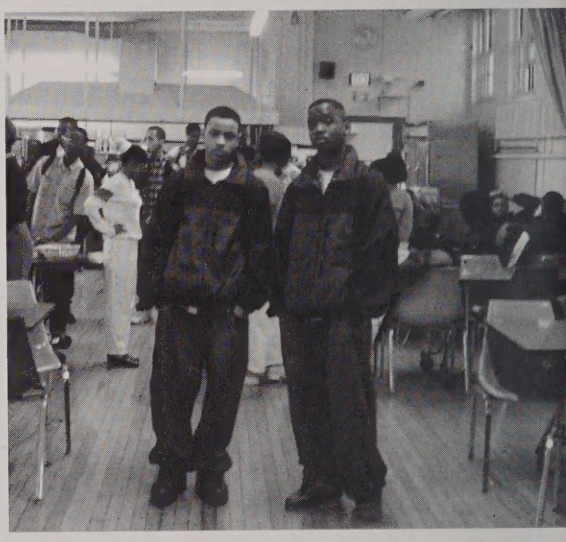
Tomorrows future!

Carmen and Nuvia you're supposed to be at the farm not in school.

Abby do you have a cold? Oh! I'm sorry you're a doctor.



Dont't they look happy now that they are twins?

Vladimir looks happy since he is surrounded by these lovely ladies.

Look at these guys. Don't they look like the New Edition?

Now this is more like a 70's and 80's look with the sneakers.

Boy! Don't you girls look sleepy.

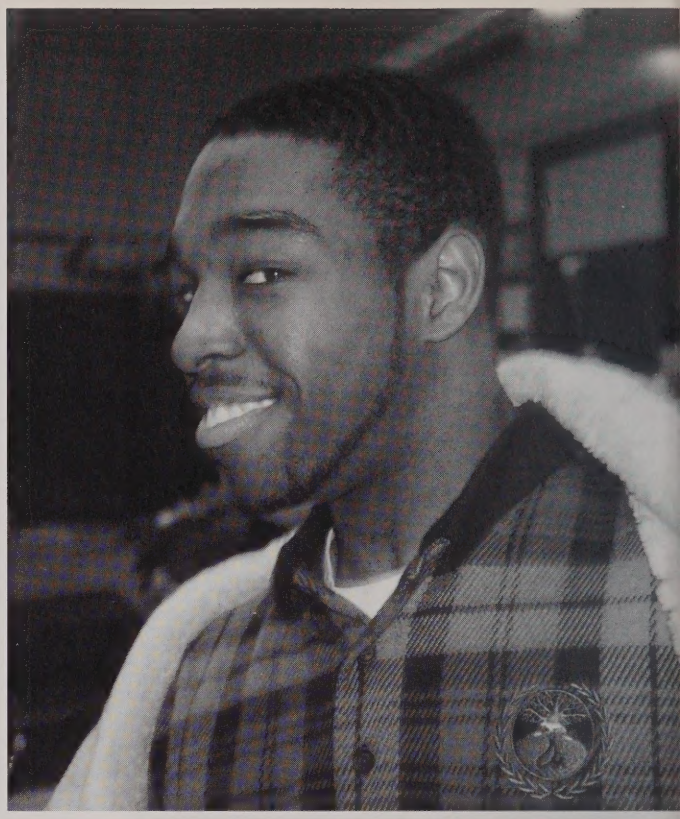
Nuvia, don't go to bed with your glasses on, they'll break.

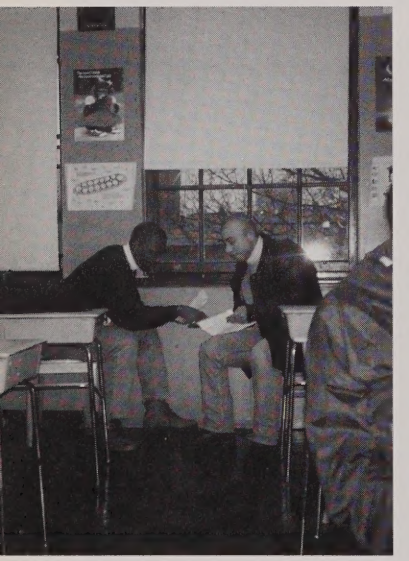
I hope your parents did not look like thisback in the days.

Israel, I hope you don't smoke in bed.

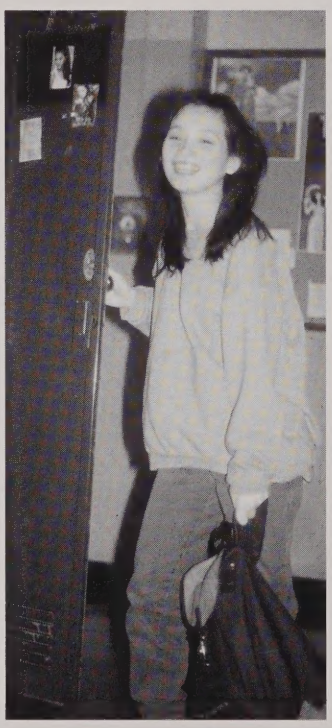
This picture doesn't do me justice.

Mr. Teichmann, stop giving them the answers.

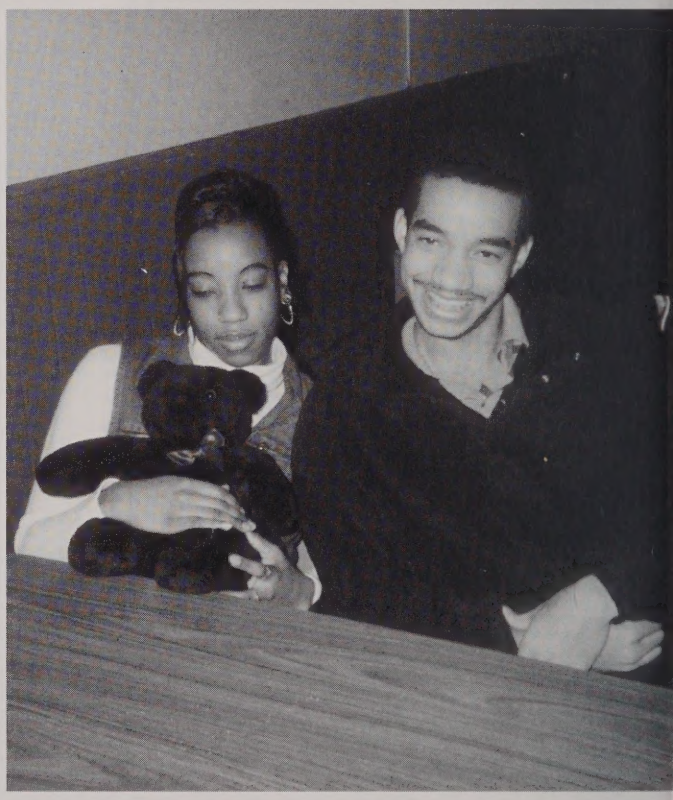




Hey guys, it's too late to study.



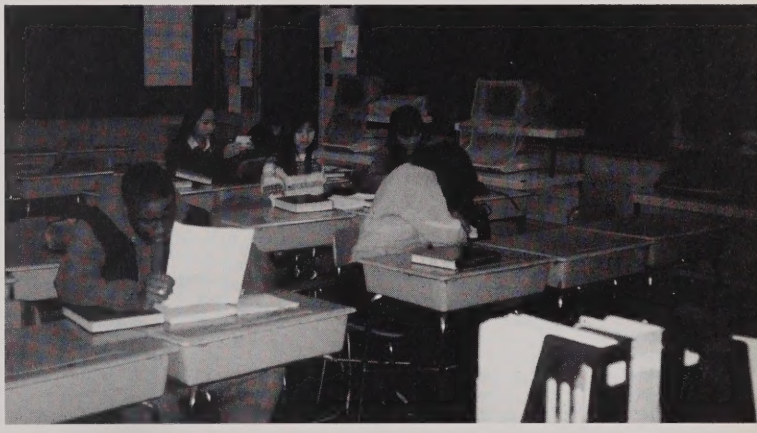
Don't forget to pick up your books.



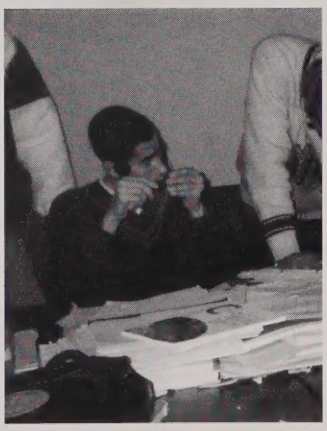
Israel, your smile is too bright!
You're hurting Melissa's eyes.

You look like you won something, but what?

"Kevin, are you sure the car will move?"

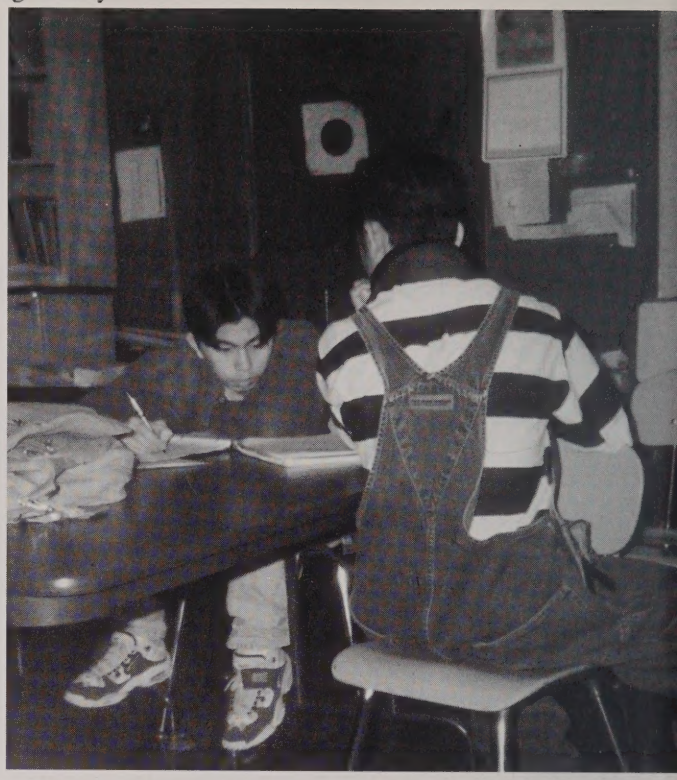


Abi, open your book and stop looking for a mirror.



Rafael, you're caught with the walkman again!

Seoun Chea, why are you looking at my work?

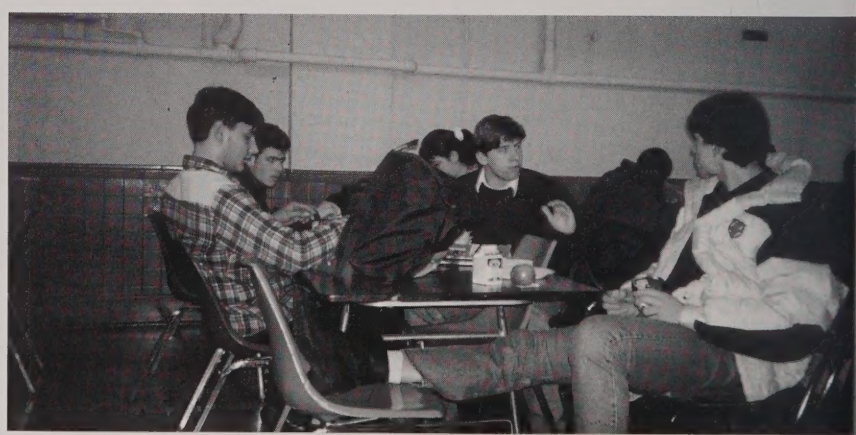


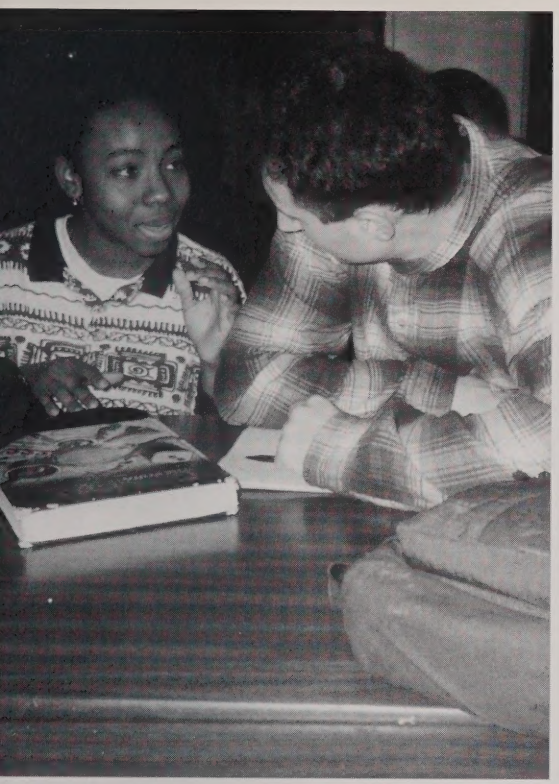
Look! I have two plates!

It's lunch time, not class time.

Linh, you are going to be late for class.

Gentlemen, did you have enough to eat?

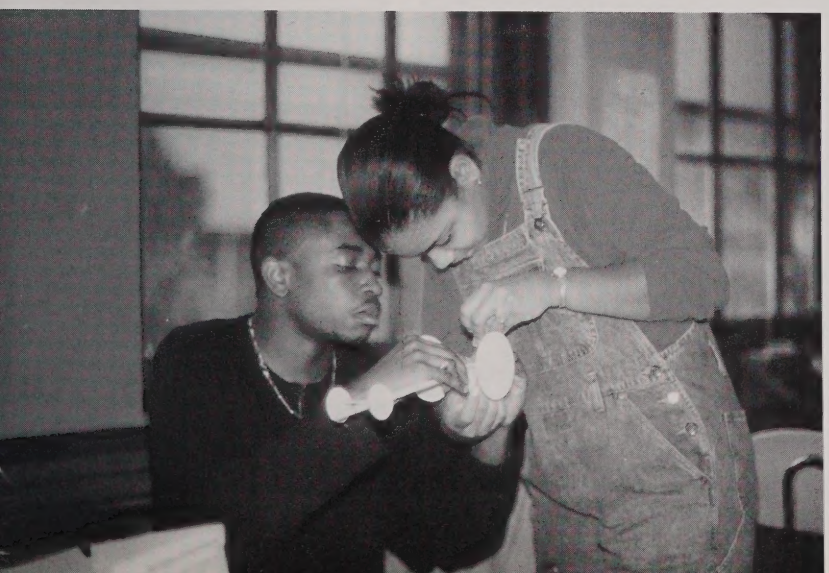




Kreshnik, are you listening to me?

We are all just relaxing before classes begin.

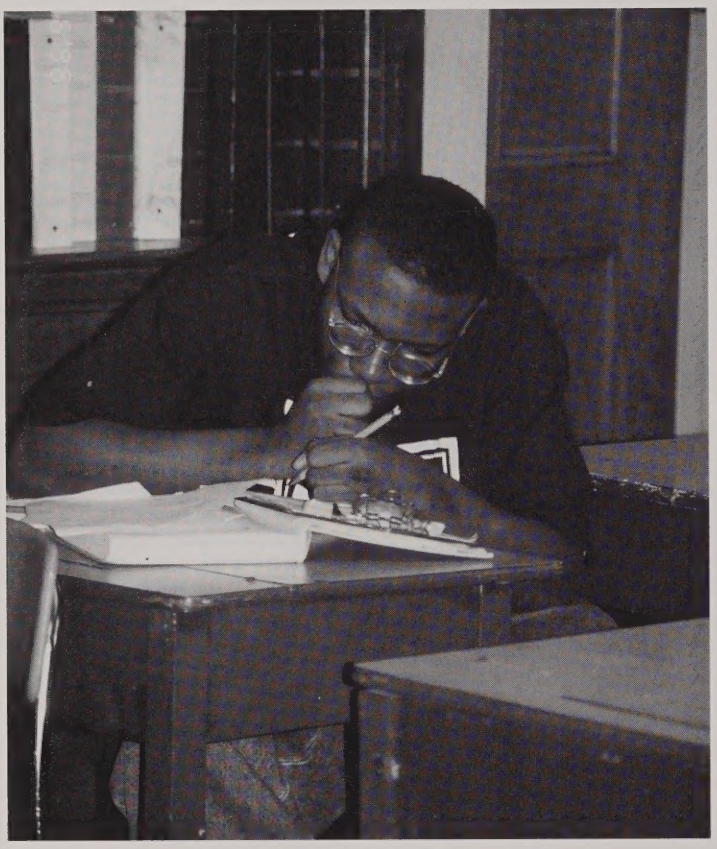
Is the food that good?



I hope you know what you are doing , Gloria!

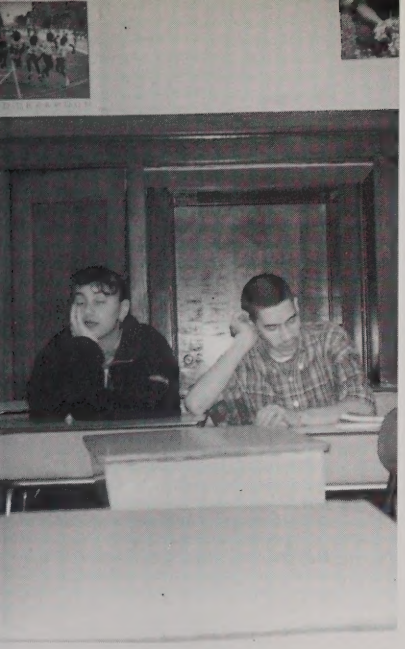
Ladies, where did you buy those sweaters? I want one.

Joel is contemplating very hard on whether or not to raise his hand on this algebra question.



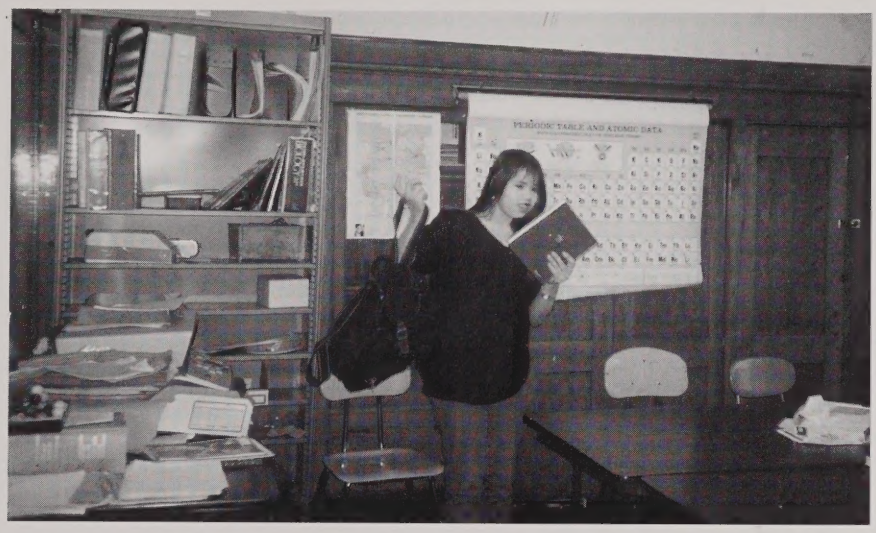
Phy, why are you the only one working in this class?

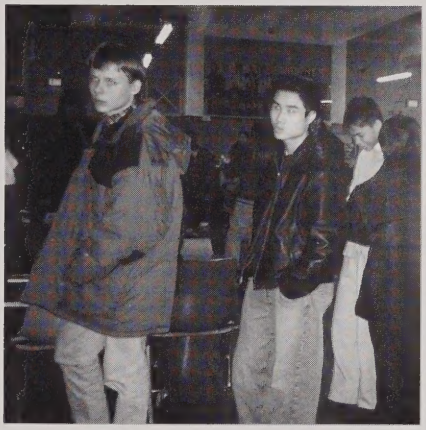
Hey, Nelson! Is it cold enough for you?



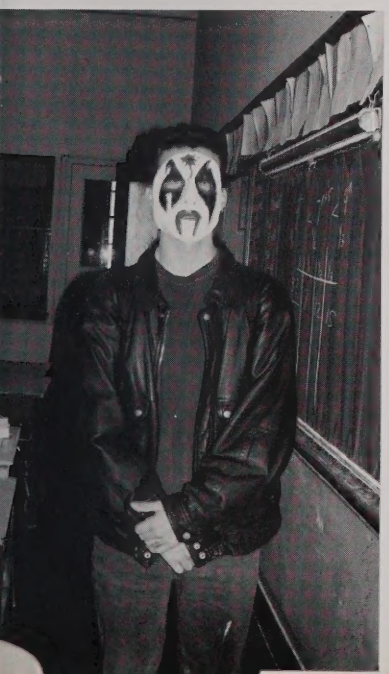
Vicky and Raf, are you guys just tired or did you wear each other out?

Phoung, your book will not drop. Relax!





Dining out in the cafeteria at C.H.S.



Mmmm. I think we should have seconds.

Shaun, would you call this your morning, afternoon or evening face?
